<b>Advisory Services Package:</b>	Hourly Advisory Guidance: Privacy Portal & Workspace Access Configuration Guidance
<b>Advisory Services Package Term:</b>	Notwithstanding anything to the contrary in the applicable Order Form, the provision of the Advisory Services will commence on the date of last signature on the applicable Order Form and end the earlier of (a) the consumption of all Project Hours set forth in the applicable Order Form or (b) the one (1) year anniversary of the date of last signature on the applicable Order Form, unless Customer and Twilio mutually agree to extend the Advisory Services Package Term in writing.
<b>Scope:</b>	<p>Twilio will evaluate and advise on Privacy Portal and Access Controls configuration, which may include the following:</p> <ul style="list-style-type: none"> <li>● Guidance on setup of the Privacy Portal</li> <li>● Enablement around ongoing usage of the Privacy Portal</li> <li>● Strategic guidance around Twilio Segment Workspace Access configuration</li> <li>● Enablement on programmatic provisioning via the Config/Public APIs</li> </ul>
<b>Customer Documentation:</b>	<ul style="list-style-type: none"> <li>● Presentation or document summarizing key challenges and recommendations associated with guidance topics</li> </ul>
<b>Project Hours:</b>	<p>The Project Hours that Customer has purchased are set forth in the applicable Order Form. Activities that consume the Project Hours will be scheduled as mutually agreed to between Customer and Twilio in writing. The Advisory Services will be deemed delivered and accepted as Project Hours are consumed.</p> <p>If Customer purchases more than one (1) Hourly Advisory Guidance Advisory Services Package under the same applicable Order Form, the Project Hours, in the aggregate, will be applied across all purchased Hourly Advisory Guidance Advisory Services Packages as such Project Hours are consumed.</p> <p>Project Hours must be consumed by the end of the Advisory Services Package Term. Any unused Project Hours will not be available, or otherwise reserved, for consumption after the Advisory Services Package Term. No refunds or credits will be provided to Customer for any unused Project Hours.</p> <p>If the Advisory Services are provided on-site at Customer's place of business, the Project Hours include a portion of hours that are necessary for Twilio Personnel to travel to and from Customer's place of business.</p>
